Grant Guidelines

DREAM is a nonprofit family support group. The mission of DREAM is to increase the acceptance, understanding, and quality of life of individuals with Down syndrome in Montana through support, education, and advocacy. We want to ensure that all people with Down syndrome have happy and productive lives and are fully included in the community.

In support of our mission statement our goals include:

- Providing support and information for families having a child with Down syndrome. (New Parent Packet & Support group meetings)
- Promoting awareness, understanding, and acceptance of individuals with Down syndrome in the community. (Annual Bozeman Buddy Walk)
- Providing medical and therapeutic equipment for individuals with Down syndrome. (Grant program)
- Providing funding for medical expenses for individuals with Down syndrome. (Grant program)
- Supporting continuing education and recreational opportunities for individuals with Down syndrome. (The Bertelsen Award)
- Promoting research to enhance the quality of life for individuals with Down syndrome. (7% of Buddy Walk proceeds to National Down Syndrome Society)
